TSG's DIRTY

Tigerr Benson

"I have a very dirty mind," said Tigerr, but it's not what goes through her mind that gets our cocks hard. It's how she acts upon those thoughts. One of the world's hottest porn stars, big-boobed or otherwise, Tigerr has done three DP scenes for The SCORE Group: one in *SCORE Threesomes 4*, one in *Busty Anal Sluts 3* and one in *SCORE Xtra 15*, a record equalled only by MILF Rita Daniels. Her strip club GGB with Angel Wicky in *SCORE Xtra 16* is a non-stop raunch fest. We once asked Tigerr if sucking dick and balls and getting all of her holes filled with cock and her face and tits covered with cum is a learned skill. "This is just the way I am," she said. "I don't really perform. I don't think it's much of a skill. It's just what I like to do."

Tigerr gets DP'd in a scene that won her *SCORE* Hardcore Performer of the Year. SCORE THREESOMES 4 • PIX854D • $39.95

Christy enjoys her first anal fuck, on-camera or off, in the movie *Christy Marks Anal Angel*. She's no angel.

Christy Marks

Perhaps you don't think of Christy as a dirty girl. Afterall, she's the "Teen Tit Dream" who started modeling when she was an innocent 18-year-old from rural Pennsylvania. Well, she's not so innocent. No girl in the history of The SCORE Group has sucked and fucked more cock on-camera than Christy. When we offered her Monster Cock, she said, "Bring it on!" Anal sex? "Let's do it! The real Christy came out during the shooting of *Busty Riding Academy*, when she prowled the halls looking for dick to fuck. Mya Blair

Your editor knew from the start that this southern girl was special. The first time he interviewed Mya, not only did she get all of a stud's cock in her mouth; she got her tongue out, too, to lick the balls. She also forced herself to gag on the stud's cock. Then he did the nose plug on her and she didn't back off at all. She just kept on sucking. Before long, she was taking on the biggest studs in our stable and letting them take turns on her ass. And, damn, was she ever proud of her skills.

A cock goes directly from Mya's ass to her mouth.

Samantha 38G

We have fond memories of Samantha sucking a stud's cock during a break in the shooting of *My Big Plump Wedding*. She had already fucked once that day. She was going to fuck again. But when she saw that hard-on, she figured, "No use letting good wood go to waste." Samantha is one of the greatest plumpers ever in a career that has spanned three decades, but she's no diva, not when it comes to cock and pussy or group sex, huge cocks, anal and everything else. It's as if she's on a mission to prove she's the greatest plumper ever.

This girl's cunt is a fuckin' geyser!

Sally Squirt

She calls herself Sally Squirt because almost every time she cums, her pussy gushes and she soaks the sheets. See it happening in *Teens Can Squirt Too* (facing page). She doesn't wear panties because she likes getting her cunt filled every day. They'd just get in the way.

TSG's DIRTY

April Aniston

April was only 18 when she took a huge rod in her ass for our viewing pleasure.

April was only 18 when she came to our studio for the first time. Our studs practically came to blows deciding which one was going to get to fuck her. The guy who won described April as "a tight little piece who was open for anything." Said April, "I discovered my love for anal before I even had sex. When I started masturbating, I always fingered my asshole while I rubbed my clit. Guys are always nice to me after they fuck my ass." Hey, that's one way to make friends.

Anastasia Knight

She's just 19, but she loves cock. She savors it when it's in her mouth (and she knows how to suck like a pro, even with braces). She moans and coos when thick man-meat stretches out her cunt. And she cums the hardest when there's a big dick in her asshole. Even better? "When a guy cums in my butt and I let it drip out of my hole," she said. That's what happens in *Creampie Cutie Pies 3*. She also said, "I'm into stretching my pussy as much as possible." She means around huge cocks.

"In school, my friends gave me a hard time because of how much I love anal. Of course, I'm the only girl who never had a guy break up with them. Maybe letting guys fuck my ass has something to do with that!"

Kelly Leigh

Sometimes you look at a woman, wonder what she'd be doing if she didn't do porn and come up with...nothing. The woman has "Porn Slut" written all over her, and nothing else makes sense. Such is the case with MILF Kelly Leigh, who told us, "I don't have time for shy. I only have time for sex. After I divorced my husband, I got into porn, and now it seems like I spend every minute of my days cumming. I love getting DP'd and sucking balls and doing all the things women my age aren't supposed to be doing. Sucking two cocks, getting fucked in my ass, cum facials...I love it all."

Kelly didn't even know the names of the guys fucking all of her holes in *DP MILFs*.

Your privacy is our priority. We never sell our mailing list.

Dee Williams

The first thing you need to know about big-titted 40something wife Dee Williams is that she used to be a teacher. That makes everything else she's done sound even raunchier. "One of my greatest fantasies is being watched, so my husband often indulges me and takes me to the sex club and ties me up right there on stage so everyone can watch what happens to me," Dee said. The woman truly does it all. She gags herself on thick cocks. She shows off her flexibility whether she's masturbating or getting fucked. She gets her mature pussy and asshole absolutely slammed. She eats cums. She tosses salad, and we don't mean in the kitchen. She gets DP'd by hung studs and uses fuck machines on her ass. Yep, she was a teacher.

Busty boss Dee gets DP'd and has her employees cum on her asshole.

Cammille Austin

The story of her wedding night is the first thing you need to know about this 60Plus MILF's sluttiness. "We had a lot of company," Cammille said. "Eight friends." They weren't sitting around drinking and talking. They were filling the new wife's mouth, pussy and asshole with their big cocks and cumming all over her. "It was pre-arranged. That was my fantasy of a wedding night, and my husband set it up. We had the wedding ceremony, had wedding cake, we drank and then we had sex. All of us. I was the only girl there. They fucked me one right after another, sometimes two at a time, three at a time. DP. My mouth, my ass, my pussy." Her husband got the sloppy seconds (sloppy ninths?) afterward. "He had to wait. I wanted to have my fantasy, then he got to have me for the rest of the night." Oh, yeah, she's also a mother and grandmother from the Bible Belt.

The younger the better: Cammille does a guy half her age in *60Plus MILFs Anal Edition 2.*

Bea Cummins

The thing about Bea, who fucked for us when she was in her 50s, 60s and 70s, is that she looks so conservative, like a Southern woman who's coming from church on a Sunday morning. But speaking of cumming, here's what she has done on-camera: 1. Fucked studs young enough to be her son, even her grandson; 2. A cuckold scene in which she got drilled from behind by Lucas Stone while sucking her hubby's cock. 3. A three-way with GILF Jewel. 4. Gotten fucked by two hung studs. 5. Had two guys take turns on her ass; 6. Ass-to-mouth. Yes, looks are deceiving.

A hung, young stud leaves his calling card in the movie *A Cream-pie for Granny 4.*

Sally D' Angelo

Some women leave their sluttiness in the porn studio. They suck and fuck on-camera then go home to their boring everyday lives, not giving even a hint of what they just did. Not Sally. She goes out in public wearing the most-revealing outfits you could ever imagine a 60Plus MILF wearing. She does things most women won't do inside and outside the studio. For example, "I've had anal sex with my hubby and with my hubby in my ass and another guy in my pussy," she said. "When I was young, I fucked my boyfriend behind the couch while my dad was asleep on that couch." Has doing porn changed her? "It hasn't. I've always been kinky. Now I get paid."

TSG's DIRTY

Rita Daniels

The most-fucked MILF in SCORE Group history is a mother and grandmother who said she would have laughed if somebody had told her in 2010 she'd one day be a porn star who's eaten pussy while getting fucked, taken the biggest cocks in the world in her mouth, pussy and ass and been DP'd and fucked air-tight. But was it really a surprise? Rita spent most of her introductory interview for *50Plus MILFs* sucking dick and getting her shaved cunt eaten. She's the one who came up with the idea of getting her mouth, pussy and ass filled at the same time by three guys for her 69th birthday. And she's the one who, without any urging, always spews the fuck talk.

In *50Plus MILFs Anal Edition 5*, Rita not only gets her tight ass fucked. She begs for cum, too.

Rita always wants the biggest cocks, like these in *Double Dicked MILFs 2*.
